CPD/24/A/287	Singapore Green Building Council	Lecture	SGBC Distinguished Lecture: Engineering a Carbon-Neutral Future	Join us for a thought-provoking discussion on the future of structural design and sustainability. In this SGBC Distinguished Lecture, Tristram will discuss how innovation and forward-thinking approaches can drive significant progress in decarbonising the built environment. Don't miss this opportunity to learn from one of the industry's leading experts and gain insights into innovation for sustainability.	https://web.sgbc-online/public/event/rsvp/355	The Meeting Point, LaunchPad @ one-north	30	1-Oct-24	1-Oct-24	2.5	2.5	Ally Hoon	67970891	events@sgbc.sg	New Run
CPD/24/A/288	Housing Development Board (HDB)	Seminar	HDB PEAK Forum 2024	HDB PEAK Forum 2024 is a platform for sharing best industry practices and knowledge on developing a highly liveable environment. This year's PEAK Forum, themed "Designing for Life: Delivering Homes, Building Communities" will expand on how HDB leverages technology to enhance construction productivity and how HDB develops a liveable environment where communities thrive. CPD/24/A/289	SCAL Academy Pte Ltd	Seminar	Construction Safety Seminar: Enhancing Traffic and Vector Control in Construction	The Construction Safety Seminar: Enhancing Traffic and Vector Control in Construction is designed to address key aspects of traffic management and vector control in the construction industry. This seminar aims to holistically improve Workplace Safety and Health (WSH) across all levels of construction operations. By covering critical topics such as vehicular safety, effective traffic management, and comprehensive vector control strategies, this seminar equips participants with the knowledge and tools necessary to enhance safety standards and ensure compliance with regulatory requirements.	https://scal-academy.com.sg/courses/course_detail/Construction-Safety-Seminar-Enhancing-Traffic-and-Vector-Control-in-Construction/10164	Online	109	9-Oct-24	9-Oct-24	4	4	Tan Wei Xuan	67939020	weixuan@scal-academy.com.sg	New Run
CPD/24/A/291	Singapore Institute of Surveyors and Valuers	Seminar	SIBL-SISV Seminar : Are we really collaborating effectively? : From ideal perspective and real world stakeholders perspective	This seminar is to give an overview on Collaborative Contracting but with the main objective of deep diving into the actual effectiveness and efficacy of collaboration. Are we really collaborating effectively? The seminar and panel speakers would consist of representatives from Project Managers, Contractors, Sub-contractors and suppliers and Consultants , giving a holistic view on the actual act and mindset of collaboration . The seminar concludes with a "topical" talk - asking the hard question, "are we really collaborating effectively?"	https://docs.google.com/forms/d/e/1FAPQLSc7851DwUNU7rt6Yc48_s1Xp24prVDhX025alWkHd1Lw/viewform?hl=1	BCAA, 1-NODE	100	8-Nov-24	8-Nov-24	4	4	Nellie Liu	87487515	gcadmin@siv.org.sg	New Run
CPD/24/A/292	SCAL Academy	Workshop	Design for Safety (DIS) for PMEs (Professional, Manager and Executive)	Developed as an enhancement to the popular 1/2-Day "Sensible DIS" course launched by SCAL Academy in 2012, this 1-Day DIS for PMEs course is introduced to cover additionally the WSH (DIS) Regulations 2015 and its implication. This course is ideal for PMEs working with developers, designers, contractors, and owners who want to know more about the WSH (DIS) Regulations. The course will cover DIS aspects of the whole life cycle of a building or structure from conceptualization, design, tender, construction, occupation, maintenance to demolition. Participants will be introduced to the "Guidelines on Design for Safety in Buildings and Structures", the "Code of Practice on WSH Risk Management" published by MOM and the WSH Council as well as the WSH (DIS) Regulations. With the current outbreak of Novel Coronavirus (NCoV), this short course is particularly beneficial as case study from a 2003 SARS outbreak in Hong Kong will be discussed.	https://scal-academy.com.sg/courses/course_detail/Design-for-Safety-for-PMEs/10349	Online, Zoom	327	22-Aug-24	22-Aug-24	7.5	7.5	Law Jia Hao	67978779	jiahao@scal-academy.com.sg	Re-Run
