SISV	webinar	SISV-CIOB-IMPLEMENTING NEC4 IN SINGAPORE	led by Mr John Battersby from BK Asia Pacific, as he delves into the principles of working collaboratively within the framework of NEC4 to foster mutual trust and cooperation. This session will explore how adopting a collaborative approach can lead to successful project outcomes. While, Mr Robert Gerrard from NEC Users' Group will focus on variations from a collaborative contracting standpoint, shedding light on strategies to manage changes effectively within project dynamics. Don't miss this opportunity to gain valuable insights and enhance your understanding of collaborative contracting principles within the NEC4 framework.	https://www.sisv.org.sg/event-details.aspx?eventId=3130	Zoom	30	5-Jul	5-Jul	2	2	Nelle	87487515	qs.admin@sisv.org.sg	new run
