**WORLD
ENGINEERS
SUMMIT
2021**

WES 2021, Singapore

10 – 12 November 2021
PDUs / STUs – To be confirmed

In November 2021, The Institution of Engineers, Singapore (IES) will host the World Engineers Summit (WES) 2021 in Singapore. The fifth biennial conference will continue to advance engineering-centric discussions on sustainable, climate-resilient and low carbon urban developments.

This year, WES has invited Deputy Prime Minister of Singapore, Mr Heng Swee Keat to grace the event at the Opening Ceremony as Guest-of-Honour.

Themed “**Engineering towards a Post-Pandemic Sustainable World**”, WES 2021 will offer the international engineering community, along with scientists, academics, business leaders, policymakers and researchers, a timely opportunity to exchange knowledge and ideas to support the world’s recovery from the COVID-19 pandemic.

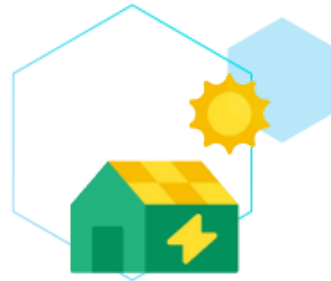

November 2021.

Registration is now open at www.wes-ies.org. Hurry and register by 31 July to enjoy early bird registration fee!

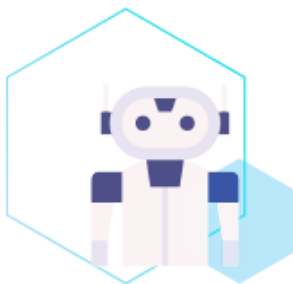

WES 2021 Technical Committee invites the submission of abstracts for presentation at the Summit, in the following area:

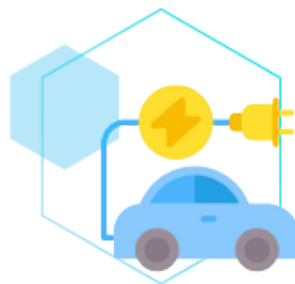

Sustainable Living
Through Technology

Future Engineering and
Industry 4.0

AI and
Digitalisation

Sustainable Urban
Mobility

Engineering
Education

Impact of New Technologies on Productisation,
Safety and Human Factors Practice

For enquiry, please email to wes@iesnet.org.sg
